Operational

Disappearance of Napoleon BIHARY

1. According to an article on page 3 of the Arbeiter Zeitung of 5 September 1951 (which should be in your hands before the arrival of this memo), Dr. Napoleon BIHARY, a Russian-born Austrian lawyer, recently disappeared and is presumably in Soviet hands. You will remember that BIHARY was at one time a target personality (see MAY-W-2430) and that he was connected with the Johann SCHITZER case.

2. We are retaining BIHARY'S alim 800 file for whatever use it may be in the future.
